

JumpWorks LLC 2009 Concessions Rate Sheet

Explanation of Payment Options

Due to the high quality of our equipment, JumpWorks attendants are required to operate concession pieces at large public events and festivals. For these larger events, the concession pieces can be rented and all supplies purchased in advance or JumpWorks can operate and run on an as-consumed basis as do other food vendors.

Please call us to discuss the many flavor choices, packaging and sale options that are available with our concession pieces.

JumpWorks concession rentals are for a 4 hour period. No pick-up service is available. Delivery is available and some mileage fees may apply. Please call for a quote.

All payment methods are pursuant to the conditions set forth in the JumpWorks LLC Event Contract.
