

JUMPWORKS 2009 COLOSSAL INFLATABLES

THE WILD ONE

58' x 30' x 24'

Our latest and greatest obstacle challenge mirrors the excitement of a real rollercoaster. Experience the twisting turns, climbing the mountains and zipping down the other side. This ride is a SCREAM!

THE TWISTED TWISTER

39' x 26' x 26'

Climb the twisting stairway to the eye of the storm and find yourself sliding almost out of control back towards the safety of the arth. Incredible detail throughout! The twisting slide carries each passenger down its slippery slope to a gentle landing in the barn.

DRAGON'S TOWER

50' x 20' x 31'

Not only does this playful combo-unit feature a bouncer entrance, it also boasts a giant climb and a large slide. A stoned arch stands over the exit landing...a reminder of days past.

CIRCUS CITY

28' x 47' x 22'

Our largest colossal boasts three slides and two bouncers making it a perfect choice for any event. The versatile circus theme is an appealing choice.

JUMPWORKS PREMIER OBSTACLES AND COMBOS

SAFARI, JR

40' x 11' x 15'

This themed mini-obstacle is great fun for kids that want to put their endurance skills to the test! Safari, JR features squeeze plays, giant obstacles, tunnels and a giant slide. This unit is sure to please.

THE BUCCANEER

27' x 16' x 17'

Our latest combo features the look of a Spanish Galleon on the high seas. Designed as a combination climb slide and bouncer, the Buccaneer™ is a true favorite for children of all ages.

PRINCESS CLUB

22' x 18' x 13'

Little princesses can bounce and slide in this kiddie combo unit. Make her party an enchanted adventure...perfect for the little lady in your family.
